STAT

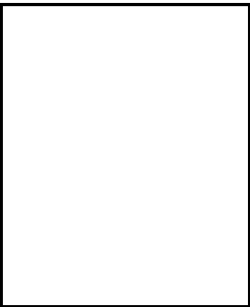

Dear Bob,

In answer to your questions concerning the Army's plans in filling a SWS billet, I am sending you all the correspondence that we have on the subject. The situation still remains unclear, but I hope these letters will provide some additional information for your use.

By the way,  is aware of your questions and has agreed to our sending this information. As he stands to be near the middle of the situation, we wanted him to be kept current on the progress of SWS manning.
